We bring people together with shared interest in the Arts and meet monthly in Hersham Village Hall to hear lecturers share their specialised knowledge about the Arts. We also have three or four visits a year some of which complement the talks. Our three Special Interest Days, held at the Riverhouse, give us

the opportunity to explore subjects in more depth. We are also involved in Church Recording and Young Arts. Try a taster talk and come as a guest for only £5 or become a member for £40 for ten lectures. Please contact [membership@theartsocietywalton.org](mailto:membership@theartsocietywalton.org)
