COMMUNITY CAFÉ @RIVERHOUSE walton on thames

Community Café @ Riverhouse

The Riverhouse Barn Community Café aim to put sustainability at the heart of what we do. We're proud of our reputation for good food, a friendly atmosphere and our unique ethos. We turn surplus food ingredients from Surplus to Supper to create the delicious cakes and imaginative savoury specials.

• Not-for-profit, we support both the Riverhouse Barn and our local community, many of whom volunteer. Why not drop by and try us for yourself, we'd love to see you.

Come and join our fantastic volunteers!

If you would like to get involved with the café, theatre, gallery, the garden or a specific project, please get in touch with us at volunteers@riverhousebarn.co.uk
