## COMMUNITY CAFÉ @RIVERHOUSE walton on thames

### Community Café @ Riverhouse

The Riverhouse Barn Community Café aim to put sustainability at the heart of what we do. We're proud of our reputation for good food, a friendly atmosphere and our unique ethos. We turn surplus food ingredients from Surplus to Supper to create the delicious cakes and imaginative savoury specials.

Not-for-profit, we support both the Riverhouse Barn and our local community, many of whom volunteer. Why not drop by and try us for yourself, we'd love to see you.

### Come and join our fantastic volunteers!

If you would like to get involved with the café, theatre, gallery, the garden or a specific project, please get in touch with us at [volunteers@riverhousebarn.co.uk](mailto:volunteers@riverhousebarn.co.uk)
